EDUCATION

PMAS ARID AGRICULTURE

BACHELORS IN COMPUTER SCIENCE

October 2020 | Rawalpindi

IMCB F-8/4

INTERMEDIATE IN COMPUTER

SCIENCE

June 2016 | Islamabad

MATRICULATIN IN COMPUTER

SCIENCE

August 2014| Islamabad

COURSEWORK

BSCS

Website Development
Data Structures and Algorithms
Database Systems
Compiler Construction
Artificial Intelligence
Modern Programming Languages
System Programming
Software Engineering

EXPERIENCE

FREELANCER

- FULL STACK DEVELOPER | REACT | REACT NATIVE | DEVOPS

Feb 2016 - Present | Islamabad, ISL

- Helping companies to achieve their long term goals

- FULL STACK | DEVOPS

March 2021 - Present | Islamabad, ISL

- Built a micro-service architecture, enhances security and development process
- Virtual machines setup using different OS's
- Logs manipulation to ensure system security
- AWS S3 storage bucket creation to store multiple images and videos
- Firebase authentication, firestore to perform important CRUD operations
- Implemented GraphQL, enhances read-writes speed
- serverless implementation using Lambda functions
- GCP and AWS architectures management

ROYAL VAPORS | FULL STACK DEVELOPER + E-COMMERCE DEVELOPER

Feb 2018 - Jan 2021 | Islamabad, ISL

- Worked with the development team and discuss client requirements to ideate software solutions
- Designed client-side and server-side architecture
- Built the front-end of applications through appealing visual design
- Developed and managed well-functioning databases and applications
- Tested software to ensure responsiveness and efficiency
- Created a layer of security and data protection settings
- Built features and applications with a mobile responsive design
- Training and support sessions

OASIS CATERING | FULL STACK DEVELOPER

March 2016 – October 2018 | Islamabad, ISL

- Website that would enable them to showcase list of their expertise and experience in catering service all over the Pakistan
- Design and developed the scalable architecture that helped them in longer run

CERTIFICATES

2020 Machine Learning
2020 Data Science
2020 Aerospace Modeling
2015 Full Stack Development
